

# CHARACTER TRAITS

## LESSON 17

NAME \_\_\_\_\_

### T-BONE'S TIP

Some characters are what we call one-dimensional, or flat. That means they don't seem real and are rather uninteresting. Luckily, Nicky Fifth lives with a bunch of characters! Pick one of Nicky's family members and use the notebooks below to examine their character traits.

Think about the Wanda character in the story. Use clues to create a list of her likes, dislikes, and unique qualities. Look for big and small clues.
